Please note that even for supported countries the Casino is not able to guarantee successful credit card payment processing in all cases, since banks issuing credit cards may block or reject such transactions at their own discretion.

The internal operating currency of the Website is Euro. Due to this fact, in case you transact in other currencies, the amount deducted from your credit card may be insignificantly higher than displayed at the time of transaction due to currency conversions on the side of your bank and/or the Casino's payment processing system.

All Bank Transfer payouts are generally processed within five (5) banking days. Please keep in mind that you will not be able to request a Bank Transfer for USD payouts. The maximum withdrawal amount processed to a player is €2,500 per day, €7,500 per week and €15,000 per month, unless otherwise specified in the Terms & Conditions of a specific promotion. Exceptions may be made to players with a higher VIP level, if any, at the Casino's sole discretion. If you win more than €15,000, the Casino reserves the right to divide the payout into monthly installments of maximum €15,000 until the full amount is paid out. All progressive jackpot wins will be paid in full.

A refund request will only be considered if it is requested within the first twenty-four (24) hours of the alleged transaction, or within thirty (30) calendar days if a Player alleges that another individual has accessed his/her Player Account. If you have funded your account with a Credit Card we reserve the right to pay all withdrawal requests up to the total amount deposited as refunds against the purchases you have made. If your withdrawals exceed the total amount deposited, any excess amount will be paid to you via one of our alternative methods available. Before a refund is processed all bonuses and winnings in your balance will be deducted prior to calculating the amount to be refunded. In case any Credit Card purchases are considered to carry an unacceptable risk for security or legal reasons either by our Payment processors or by the Casino, we will initiate refunds for all such transactions back to the credit card, and notify all the appropriate authorities and parties. All costs that may occur upon refund procedure are on the player

An inactive (dormant) account is a Player Account which a player has not logged into or logged out of for twelve (12) consecutive months. If your Player Account is deemed to be inactive, the Casino reserves the right to charge a monthly administrative fee of €10 or the equivalent in another currency (or the current balance of your account, if less) as long as the balance of your account remains positive. You authorise the Casino to debit this fee from your Player Account at the beginning of the month following the day on which your account is deemed inactive, and at the beginning of every subsequent month that your account remains inactive. The Casino will stop deducting the fee if the account balance is zero or if the account is reactivated.
